From March 31st, 1896, to April 1st, 1897.

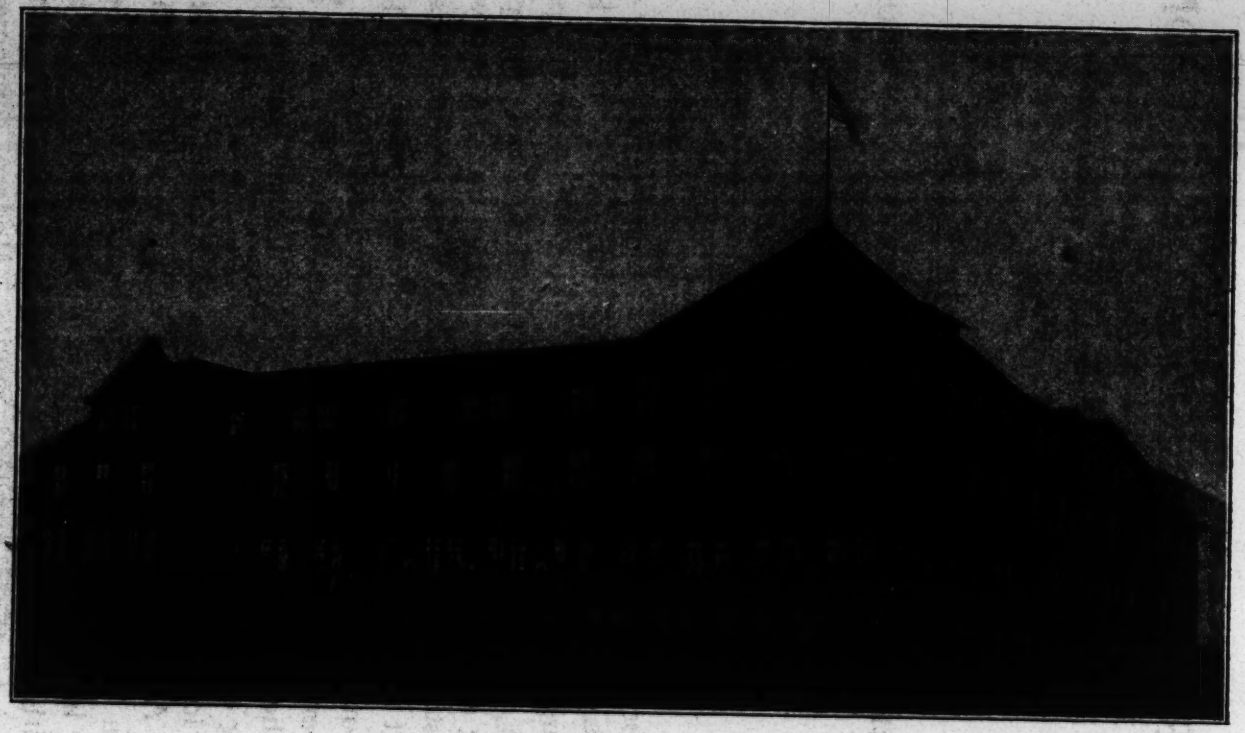
THE BOARD OF MISSIONS FOR FREEDMEN respectfully presents to the GENERAL ASSEMBLY its THIRTY-SECOND ANNUAL REPORT.

Although no new work has been projected for the past four years we find ourselves operating two large and fully-equipped boarding schools for girls that were not on our list last year, one at Anniston, Ala., and the other at West Point., Miss. The school at Anniston, Ala., to which reference was made prospectively in our last annual report is the generous gift of Mrs. Phineas M. Barber, of Philadelphia, and is established by her as a memorial to her late husband, who in his lifetime contemplated the founding of just such a school.

It is located in the northern part of Alabama, on the hillside south of Anniston, overlooking the valley in which lie the city of Anniston and the towns of Oxford and Oxanna. The school building is a substantial structure, of stone and brick, four stories high, with basement underneath and is capable of accommodating from two to three hundred pupils. Modern conveniences are provided, and the sixty acres attached afford ample grounds for campus or cultivation. The view in all directions is most pleasing, and the climate for healthfulness has few equals in the South, and is surpassed by none. A beautiful church building at the foot of the hill, the parsonage, the training house and the various out-buildings have also been erected entirely at



MARY HOLMES SEMINARY, JACKSON, MISS.

Mrs. Barber's own expense. The property is held by trustees for the Presbyterian Church in the U. S. A., and for school purposes is placed entirely at the disposal of the Board of Missions for Freedmen. The entire plant cost $50,000, and not a dollar of debt rests upon it. The main building was finished in November last, and on the 17th of the same month the Board formally opened the school with Rev. Geo. B. Crawford and wife, of the Synod of New Jersey, in charge.

The Board felt all the more justified in accepting the care and maintenance of this school in view of the fact that the "Barber Fund," established by bequest of the late Phineas M. Barber and held by the Trustees of the General Assembly, yields to us annually for certain features of our general work an amount fully equal to the cost of maintaining the Barber Memorial Seminary.

The Mary Holmes Seminary, at West Point, Miss., which opened for work on the first of January, starts again on its career of usefulness after a lapse of nearly two years, the first building having been burned January 31st, 1895, at Jackson, Miss., where the school was formerly located.

Some time before the old building was burned money was being contributed and sent to the Board for a contemplated enlargement.

This fund together with the insurance money received after the fire was not enough to justify us in attempting to re-build. Friends of the institution continued to contribute to the Mary Holmes Building Fund so that after the lapse of a year the Board felt it ought not longer to delay the work of re-building—having had the use of some of this money in its other work for more than two years without interest.

The land—twenty acres—on the outskirts of West Point, Miss., was given to us by the citizens of that place, and a good artesian well yielding the best of water was bored by them on the premises without expense to the Board. The contract price for the building was $28,500, and the subsequent cost for heating, furnishing and general equipment for the work raised the total amount of expenditure to $39,000. As this was $5,000 in excess of the amount available for this enterprise, a mortgage was placed on the property to meet the deficit, and we confidently believe that the special friends of this particular enterprise will not long allow this debt to remain.

The building as it now stands completed is in every way admirably fitted for the great work that the institution is to do in the

State in which it is planted. It will accommodate between two and three hundred pupils and is in the midst of a dense colored population sufficiently intelligent and desirous of the advantages of a Christian education for their children, to be willing to make great sacrifices for the same. In the first few months of this school's new career the scholars, about ninety in number, have paid for their board and their books and other expenses nearly $2,900.

The Board having been compelled through financial stress to do away with the expense of a Field Secretary, were pleased when Rev. H. N. Payne, D. D., who had rendered such efficient service to our work in this capacity for eleven years, signified his willingness at the suggestion of the Board to assume the duties of President of the new Mary Holmes Seminary. The residence of Dr. and Mrs. Payne for so long in the south, taken with their other qualifications, fits them eminently for the positions of President and Principal of this resuscitated school.

Besides these two schools that have been added to our list for part of this year, we have retained all of our other seventeen boarding schools; but we have again reduced the length of the terms of thirteen of them another month. Twelve of them have been allowed only six months each. Two other academies have been reduced to five months, while all the parochial schools that have been continued, have been allowed only four months each. We have reduced the number of these schools by twenty, as compared with last year.

We have endeavored to carry on the work within its reduced limits with the least possible outlay, and in the interests of economy. To reduce the expenses of adminstration as far as desirable the Board has dispensed with the services of the treasurer as a salaried officer. The former treasurer, Rev. J J. Beacom D D., will perform the duties of treasurer for the present without salary. The Board has also dispensed with the services of the field secretary—as elsewhere stated. These changes effect a reduction of expenses in the office and on the field to the amount of $2.966.30 as compared with last year and of $4.775.50 as compared with previous years. The increase in our real-estate item, together with the fact that our receipts this year in their sum total fell to a lower figure than they have done in the last eight years, have operated to increase our debt largely over our last year's amount. Our notes in bank and to individuals amount this year to $51.275 as against $26,123.

Our real estate item of expense amounted this year to $49,613, being, for certain reasons, much larger than it probably will be again for many years to come. Of this entire amount only about $1,500 was expended out of our general fund. The rest was expended for the objects for which it was especially raised and could not be either diverted into other channels or held longer on our books as special credits. The larger part of this expenditure went toward the rebuilding of Mary Holmes Seminary. We have also completed the Boys' Dormitory at Oak Hill with money given some years ago by the ladies of Indiana Synod for that purpose. We have also completed church and school building at Newport News, Va., with money from the ladies of the Church at Warren, Pa.; also school building at Sumter, S. C., with special funds from Indiana, New Jersey and California. Also bought additional land at Augusta, Ga., for Haines Industrial School, with a special individual gift; also built Hot Springs Church with special funds from Chicago Presbytery; also bought land and helped build basement of new church at Chattanooga with money from Indiana ladies; also aided the building of churches at Columbia, S. C.; Savannah, Ga.; Charlotte, N. C.; Statesville, N. C.; Roanoke, Va.; Birmingham, Ala.; Spartanburg, S. C.; Maryville, Tenn., with special funds.

While all these various objects are laudable in themselves and closely connected with the vital interests of our work, it is quite certain that the accumulation of so much money to be turned, in a single year, into one channel of our work necessarily deflected funds that would otherwise have gone into other channels of the work. The general amount of expenditure has not been increased, only the proportions have been disturbed.

Foreseeing in January that our receipts were falling behind the amount received the year before, and that our expendtures were being increased by this unusual outlay in the matter of real estate, it became evident that radical measures must be taken, not only to prevent further increase of our indebtedness, but to overtake and cancel as much of it as possible and as soon as possible.

The Board, however, thinking it not wise and hardly just to our workers to interrupt the work being done, by summary suspension of schools in the middle of the year, chose as a lesser evil the postponement of the reduction until next year. That the teachers might be fully prepared for whatever measures might be taken for the curtailment of expenses, the following note of information and warning was sent by order of the Board to all the teacher in all of our schools:

## "NOTIFICATION TO ALL THE TEACHERS UNDER THE CARE OF OUR BOARD.

On account of the falling off in our income, and the large increase of the debt we are carrying in bank, made necessary in meeting current expenses, the Board at its regular meeting, held February 1, 1897, decided that while it would be best to continue our work, according to the present schedule, to the close of this ecclesiastical year, notice should be sent to all our teachers at once, that in the year to come such reductions will be made as shall bring our expenses within the limit of our income. It is now eight months before the school work of next year will begin, and this is thought to be ample time for preparation on the part of workers under our care to meet contingencies that may arise from the suspension of the support of the Board to any part, or to all of any particular work with which any of them may at present be connected. Our schedule for the new school year will be made out as soon as possible after the close of the old one.

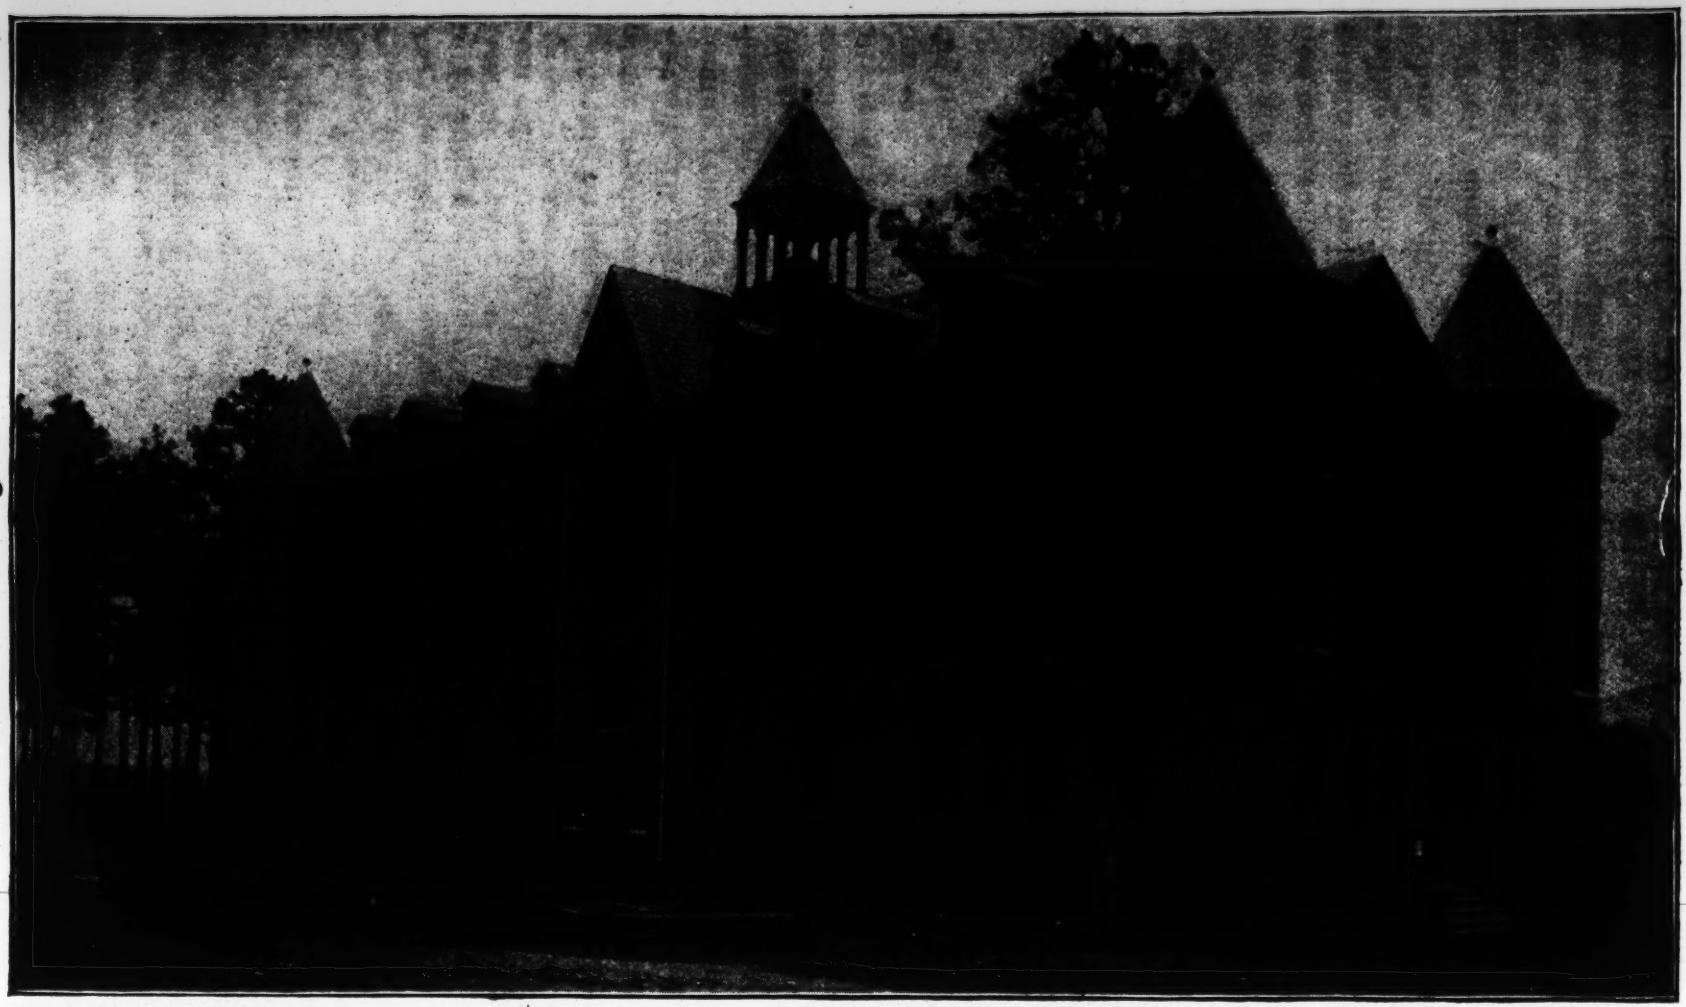
By order of the Board."

However radical the reductions may be this coming year, our workers by this timely notification are at least saved the pain of a sudden and unexpected loss of occupation, and the heads of our various schools who naturally have the work most at heart are in a measure prepared for the worst.

With our income standing next year at the same figure as this, it appears, from careful calculation, that with the absence of the large item of expense for real estate, which will not probably appear again, our work can be maintained substantially as last year and the present indebtedness reduced about nine thousand dollars; but the desire of the Board is, that at least $20,000 should be paid on the debt this coming year. An increase of our income $11,000 over last year will make this possible. A reduction of expense which means a reduction of the work to that extent, will accomplish the same thing; but a reduction of the work to that extent means almost its destruction to that extent. The counsel of the Assembly, as to which of these three plans it would be best to adopt, will be gladly accepted and followed by the Board.

## BIDDLE UNIVERSITY.

The proper support of Biddle University becomes every year a greater drain on the resources of the Board. The item of salaries alone amounts now, annually, to about $11,000. Could we be relieved of this, even for this year, we could probably reduce our debt, as we have seen above, about $20,000. The Assembly



CARTER HALL, BIDDLE UNIVERSITY, CHARLOTTE, N. C.

has repeatedly authorized us to secure a financial agent for the University, but the great financial depression under which the country has been suffering for the last few years has hitherto deterred us from acting upon the suggestion. Last year the Assembly took the following action:

"Resolution 5.—The Assembly commends to the generosity of our church members the liberal endowment of higher institutions of learning for Freedmen, especially Biddle University, at Charlotte, N. C., an institution having thirteen buildings worth $125,000, with thirteen professors and 260 students—a plant too large and expensive in the great work it is doing, to depend entirely on its share of the ordinary collections from the churches that come annually to the Board."

Acting on past recommendations and on the suggestion of the above resolution our Board has recently secured the services of Rev. W. H. Weaver, D. D., of Baltimore, Md., who will this coming year devote his time and energies, with the hearty endorsement of the Board, in enlisting the interest and securing the aid of the benevolent in favor of Biddle University. Thousands of dollars—possibly tens of thousands—are secured annually from Presbyterian sources for other institutions not under our care and not of our fold. It is thought by the Board that the time has come for Biddle University to ask for a share in these benefactions, with a reasonable hope that the request will not be made in vain. Dr. Weaver has been pastor of the Madison Street Presbyterian Church, Baltimore, Md., for seventeen years and enjoys the confidence and esteem of his co-presbyters, and is known to the Church as the representative of his presbytery last year at the General Assembly at Saratoga Springs, N. Y. Dr. Weaver, although himself freeborn, is in full sympathy with his race and with the efforts put forth by our Church for the education and evangelization of the Freedmen of the South, and will go into this work with heart and soul, confident that the Lord is calling him to a great work in this new field of labor, that came to him unsought.

The Woman's Executive Committee through its various societies has given us this year only a few hundred dollars less than last. Considering the urgent calls for a larger increase in the offerings for schools under its own immediate care, we are grateful to these friends of our work for the amount we have received from them through its Freedmen's Department. Mrs. C.E. Coulter, the General Secretary of the Freedmen's Department

of Woman's Executive Committee of Home Missions, in her report, printed as usual in the Appendix, sets forth in an interesting form the leading features of this part of the work for the year. Miss Mary E. Holmes Ph. D., of Rockford, Ill., acting as Freedman's Secretary of the Northwest, has given freely of her time, means and energies in deepening the interest of various societies and organizations in our work. Her labors have been abundant and her only recompense of reward has been the consciousness of having done what she could for the cause.

The repressing influence we have been compelled to exert for the past few years shows its unfortunate effects in the annual statement of the extent of our work. There must be fewer children in our parochial schools, for the schools themselves have been greatly reduced in number.

There are fewer pupils in our boarding schools, because only those whose support is provided are permitted to attend, and poverty and hard times do the rest.

No new ministers can be added to our list and the organization of new churches is not encouraged, because there is no money with which to send new men to new fields.

Better times are likely soon to dawn. The work so far has in these dark years at least been preserved. Let us thank God for that. It is all ready for an advance. The Church is to say whether or not it shall go forward. Our heads are eager for the order, but until it comes in the unmistakable terms of increased contributions and increased numbers of churches that make contributions, we must stand and wait. Let us hope that the night is far spent and that the day is at hand.

The General Assembly in session at Eagle Lake, Ind., adopted, upon the recommendation of the Standing Committee on Freedmen, the following resolution anent the Board of Missions for Freedmen:

1st. That the minutes of the Board, which they have carefully examined, be approved.

2d. That whilst deploring the painful necessity for such action, the General Assembly commends as wise and prudent the measures taken by the Board to bring their expenditures within the limits of their income.

3d. That Presbyteries be requested to urge upon delinquent churches the duty of contributing to the Freedmen's cause, that pastors and stated supplies earnestly put its pressing needs and present peril.

4th. That in the present crisis, with disaster impending if retrenchment is further continued, the Assembly appeal to the membership of the churches to give preference to their own work and institutions in their gifts to the Freedmen.

5th. That the General Assembly urge upon the churches under the Freedmen's Board the duty and necessity of self-denying effort to lighten the burdens of the Board, and at the earliest practical moment to assume their pastors' support.

6th. That the Assembly renew the recommendations of former Assemblies with reference to steps taken to secure the endowment of Biddle University, in order that the burden of its support may be lifted off the Board, and that they approve of the appointment of Rev. Dr. Weaver to act as financial agent of the University.

7th. That permission be given by the Assembly to the Board of Freedmen to appeal to the churches for an increase of $11,000.00 over the contributions of last year, that the necessity for further retrenchment may be removed, the present work maintained, and that they may be enabled, in accordance with their expressed desire, to reduce their present indebtedness to the extent of $20,000.00.

8th. Your Committee would recommend the re-election of the following members of the Board whose term of service expires with this Assembly, i. e., Rev. D. S. Kennedy, D. D., Rev. H. T. McClelland, D. D., Rev. David M. Skilling, Rev. Samuel J. Glass and Mr. A. G. Bixler.

All of which is respectfully submitted.

Attest—WM. H. ROBERTS, *Stated Clerk.*

## Thirteenth Annual Report of the Freedmen's Department

——OF THE——

## WOMAN'S EXECUTIVE COMMITTEE OF HOME MISSIONS.

In presenting the Thirteenth Annual Report of the Freedmen's Department of the Woman's Executive Committee of Home Missions, we feel there is great cause for thankfulness, and also for humiliation. Thankfulness that the Lord has continued to bless the work—humiliation that we have failed to meet the responsibility devolved upon us by our opportunities.

We cannot judge of the success of our work by the amount of money contributed, nor by the apparent interest felt by our societies. Yet even measured by that standard there is no reason for discouragement. During the past year we have received from the Treasurer of the W. Ex. Com. $41,491.59. While this is $1,823.28 less than last year, we must remember that at that time there was special effort made for buildings. It is $1,409.96 *more* than was given the previous year. For the first time legacies have come to us through the Woman's Executive Committee. Two were received this year amounting to $2,000. This shows an actual deficit from living members of our societies of $3,823.20 as compared with last year, and of $590.04 compared with the previous year. Of the money received, $10,207.02 was for salaries; $11,681.54 for scholarships; $4,288.87 for building; $2,492.73 for general work of schools, and $12,821.43 was paid into the General Fund of the Board. There has been a falling off of $776.93 in scholarships and of $5,995 02 for buildings, but a decided increase in gifts to the other objects. We greatly regret this

falling off of contributions, as it made it necessary to shorten the school term not only of parochial but boarding schools. This cloud, however, has shown a silver lining. Such a spirit of self-sacrifice and helpfulness has been exhibited by teachers and people as calls forth our admiration, and shows the earnestness of their efforts to help their race. They are thus developing Christian character and are learning the blessedness of service.

This falling off of gifts, we think, does not show diminished interest, but can be accounted for by the effort to lift the great burden of debt felt by the larger Boards, and the actual inability of some to give as they have formerly done. Never have so many letters expressing interest in our work been received in this office as during the past three months. Contributions have been received from a greater number of Societies than ever before. We have been remembered by 1,805 societies, 187 more than last year. A few Societies sent their contributions, amounting to $254.86, to the Treasurer of the Board. This was not included in the above statement. This makes the total receipts from Women's Societies of $41,746.45.

In box work there has been a falling off. The total value, as reported, is $12,166.06. A number of barrels were reported and no value given. Doubtless many were sent that were not reported at all. Boxes were sent to 131 ministers for distribution among the needy of their congregations, in addition to those sent to schools.

No new agencies have been employed in securing funds or in awakening interest. We rely chiefly upon our faithful Synodical and Presbyterial Secretaries for Freedmen to see that this work is brought before every local society, either by personal resentation or by letters and leaflets. Mrs. Swift has presented our work in ten states during the year—addressed five Synodical and ten Presbyterial meetings and numerous local societies. This has required a great deal of travel and frequent discomfort, but she counts not these things if only the cause be advanced. We feel sure our deficit would have been greater but for her faithful service. Miss Laney, of Augusta, Ga., visited the Synods of Indiana and Illinois, and met various other appointments in Illinois. Although her visit was during the great excitement preceding the election, she awakened much interest, as was shown by increased contributions wherever she spoke. Mrs. W. E. Carr, of Danville, Va., did good service in attending the Synodical Societies of New York and Ohio and several Presbyterial Societies in these States and Pennsylvania and New Jersey. The results of the

KINDERGARTEN, CONCORD, N. C.

past year have shown the wisdom of appointing Miss Mary E. Holmes, Ph. D., of Rockford, Illinois, Freedmen's Secretary of the North-West. She has been untiring in her efforts and fertile in expedients and has greatly increased interest in that section. Since August last, she has printed and distributed, at her own expense, "The Freedmen's Bulletin," a bright little monthly paper, filled with reliable news from the field.

It is with mingled feelings we turn to the field. We rejoice as we hear from time to time of the presence of the Holy Spirit in our schools, but are sad as we think of the shortened terms. Since our last report, two boarding schools for girls have been added to our number. The "Barber Memorial," at Anniston, Calhoun Co., Alabama,—the generous gift of Mrs. Phineas Barber, of Philadelphia, in memory of her husband. The beautiful house is surrounded by sixty acres of land, and from the elevation charming views are had in all directions. A more healthful location could not be found. The school was opened Nov. 17th, 1896. Fifty-four students have been enrolled, and three of this number have united with the church since being in school. The whole school can repeat the Commandments, the 5th chapter of Matthew, the 1st, 2d, 23d and 100th Psalms and twelve verses of 4th chapter of 1st Thess. All are studying the Catechism and some can repeat the whole of it.

Mary Holmes Seminary has been re-built at West Point, Clay Co., Miss. Although no special meetings were held, the interest manifested in spiritual things led to the organization of a Seminary Church, on April 4th. Of the 21 members, 9 were pupils who for the first time made a profession of faith.

The religious training at Scotia is well known. Of the 266 pupils enrolled, 220 are professed Christians. There were 10 conversions during the year and increased activity in religious life.

Mary Allen Seminary, at Crockett, Texas, reports 21 conversions since the first of the year and others are interested. They hope greater blessings are to follow. Their prayer meetings and Missionary Society are always attended with much interest.

Ingleside Seminary, at Burkeville, Va., reports 10 conversions this year. All but 2 are church members; 29 of the pupils have recited the whole of the Catechism and 15 others expect to do so before the close of the term.

From Brainerd Institute, Chester, S. C., we hear, "Never since coming to this work has there been a deeper religious interest in

the school. We are constantly struck with the earnest Christian life of the students who have been in for several years, and the good influence they seem to be exerting on new students. The number of conversions of students in the boarding department has this year been 12."

Haines School, at Augusta, Ga., continues to be a power for good. There were 37 conversions during the year. The teachers and older pupils have organized for regular Missionary work and now have a Mission Sunday School in a very destitute part of the city, numbering nearly 300. A great deal of house-to-house visiting is done by the teachers.

Richard Allen Institute, at Pine Bluff, Ark., was blessed in the conversion of 40 pupils during the week of prayer.

The greatest outpouring of the Spirit was at Harbison Institute, Beaufort, S. C., where 69 felt they were born again.

Albion Academy, at Franklinton, N. C.; Ferguson Academy, at Abbeville, S. C.; Swift Memorial, at Rogersville, Tenn.; Cotton Plant Academy, at Cotton Plant, Ark.; Oak Hill, near Clear Creek, P. O., Ind. Ter.; Potter Memorial, at Oxford, N. C.; Dayton Academy, at Carthage, N. C., have all shared in the blessing our Father is so ready to bestow. More than 300 in our boarding schools have during the year been brought into the fold, and all report spiritual growth in those who were formerly members of the Church. "Surely the Lord hath done great things for us whereof we are glad." When we turn to our parochial schools it is with a feeling akin to those we have upon looking upon a vacant chair in the family circle. Not only were the terms cut down to four months, but 20 of these "beacon lights' have been extinguished. How much that means, eternity alone will reveal. The great need of these schools is so clearly shown by one of our most faithful and judicious colored Missionaries, that I will quote from a communication recently received from him: "I cannot see much hope for my people, unless the children can be taken—the younger the better—and by some means have drilled into their being the essentials of true manhood and womanhood. To be taught that labor is no disgrace. That dishonesty is exemplified as much—and is as abominable—in taking of culinary articles or furnishings, as it is to enter the house and take a diamond necklace. That to take change from a table or drawer, shows the same lack of principle as to blow open a safe or rob a bank. That we of necessity make ourselves detested in the sight of others on account of these little things. We must learn that to be unfaithful to an em-

ployer is proof that we are not trustworthy. Because we deem ourselves or our parents to have been defrauded of the value of our labor in the past, is no reason for our being dishonest now. And it seems to me that the only successful way for the growth and cultivation of these ideas is to have them planted in the hearts of the children and watered with prayer and love.

And I feel that I am drifting to the point of saying that these efforts which are expended upon the children—and the younger the better—are the efforts which will be most productive in the forming of a noble type of manhood and womanhood in our race. For the first thing our race needs is not trades, diplomas or professions, but character." In the same line is the statement of a convict in Indiana penitentiary, to the effect that if Christians had taken the same interest in him when a boy as since he has been in the penitentiary, he would never have been a convict. The repeated command to God's people to teach their children shows the importance of sowing good seed early in life. The schools that remain have shared like blessings with the boarding schools. In some there has been a large outpouring of the Holy Spirit. In our Good Will School near Sumter, S. C., there were 40 conversions, and His blessed influence has been felt in all from which I have heard. More than 100 conversions have been reported in these schools.

In this review we see God's readiness to bless only limited by our failure to provide the channels through which he bestows the blessing. It is thus we are made co-workers with God and thus to the Church is committed the "keys of the kingdom of heaven."

When we realize that not only the future of the Negro, but our own future and the future of our country, depends upon faithfully meeting the responsibility which these opportunities place upon us, there will no longer be a lack of funds to carry it on.

Seeing God's hand so clearly showing us the way, we willingly, gladly work on, knowing that our "labor is not in vain in the Lord." What though another may reap where we have sown, though we may not here see the fruit of our labor, we *know* that our God will "deliver those that call upon him," and that "all people, nations and languages shall serve him."

Respectfully submitted,

MRS. C. E. COULTER, Gen'l Sec'y.

PITTSBURG, PA., May, 1897.
